Behaviour Policy

Policy Rationale
Our relationships are founded on mutual respect which is at the heart of our distinctive ethos of our Catholic and Church of England community.

We aim to promote self-discipline, self-respect, honesty, fairness, mutual respect, and cooperation with all members of the school community.

We believe that it is important for pupils to understand their responsibilities as members of the community as well as their rights. These provide a framework from which we can establish a calm and purposeful environment that maintains the rights of the teacher to teach, and the rights of the pupils to learn.

Objectives
The purpose of this policy is to ensure that:

- Staff and pupils have a clear understanding of the high standards of behaviour expected within our community
- Staff have effective strategies to support pupils when behaviour falls short of our expectation and work positively to resolve conflict and rebuild relationships
- High standards of behaviour are achieved to enable all pupils to learn in a supportive, nurturing environment
- At all times our interactions with pupils and each other reflect our Christian ethos
- We are always conscious of the need for our community to be inclusive
- All members of the community understand that alongside rights we have responsibilities
- All staff have a consistent approach to behaviour management
- We are all clear about what we consider to be unacceptable behaviour, including bullying
- We all understand our system of rewards and sanctions

Legislation and statutory requirements
This policy is based on advice from the Department for Education (DfE) on:

- Behaviour and discipline in schools
- Searching, screening and confiscation at school
- The Equality Act 2010
- Use of reasonable force in schools
- Supporting pupils with medical conditions at school

It is also based on the special educational needs and disability (SEND) code of practice.

In addition, this policy is based on:

- Schedule 1 of the Education (Independent School Standards) Regulations 2014; paragraph 7 outlines a school’s duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy
- DfE guidance explaining that academies should publish their behaviour policy and anti-bullying strategy online

Details of our school’s approach to preventing and addressing bullying are set out in our anti-bullying policy.

Repentance, Forgiveness, Reconciliation

- Pupils will always be given the opportunity to reflect on their behaviour

The Sanctions we use
All sanctions are issued in the spirit of our core values of repentance, forgiveness and reconciliation, in line with the ethos of Holy Trinity.

When applying sanctions, ensure that the behaviour and not the pupil is sanctioned. Always maintain a non-confrontational response, remaining calm and modelling the behaviour we expect from pupils.

Where a pupil does not comply with expectations the following consequences are applied:

<table>
<thead>
<tr>
<th></th>
<th>Primary</th>
<th>Secondary</th>
</tr>
</thead>
<tbody>
<tr>
<td>C1</td>
<td>A verbal warning is given for first behaviour, spotlighting the behaviour and reminding the pupil of the school expectation which is not being met.</td>
<td>The name is written on the board. This is an opportunity for pupils to take responsibility and avoid sanctions</td>
</tr>
<tr>
<td>C2</td>
<td>If a C1 behaviour is repeated or a further C1 behaviour takes place, the consequence is raised to C2</td>
<td></td>
</tr>
<tr>

</tr>
<tr>
<td>C3</td>
<td>If a further behaviour takes place, the consequence is raised to C3</td>
<td></td>
</tr>
<tr>
<td></td>
<td>A dojo is lost and 5 minutes of break time is lost or the child may be sent to another classroom. The pupil is moved to red on the traffic light system. Parents are sent a slip to inform them of their child’s behaviour</td>
<td>A behaviour point is issued, the pupil is removed to alternative classroom and a detention is issued.</td>
</tr>
<tr>
<td>C4</td>
<td>If a further negative behaviour takes place, the consequence is raised to C4</td>
<td></td>
</tr>
<tr>

<td>A dojo is lost and lunchtime play is spent in the time-out room. Parents are contacted by phone. In extreme circumstances, an internal exclusion, external exclusion or twilight session may be given.</td>
<td>If a pupil refuses to move to an alternative classroom, the incident is serious or there is further poor behaviour in the alternative classroom, “On Call” is used. The pupil is removed from the classroom and is sent home to return at the end of the day for a twilight session.</td>
</tr>
</tbody>

- Withdrawal from class for a period of time.

The following sanctions can only be applied by the Headteacher:

**Serious misbehaviour**

Serious misbehaviour will lead to the higher level sanctions applied including fixed term exclusion or permanent exclusion.

Serious misbehaviour is defined as:

- Repeated breaches of the school rules
- Any form of bullying
- Sexual assault (any unwanted sexual behaviour that causes humiliation, pain, fear or intimidation)

**Off-site behaviour**

Sanctions may be applied where a pupil has misbehaved off-site when representing the school, such as on a school trip or on the bus on the way to or from school.

**Malicious allegations**

Where a pupil makes an accusation against a member of staff and that accusation is shown to have been malicious, the headteacher will discipline the pupil in accordance with this policy and the linked policies listed below. The headteacher will also consider the pastoral needs of staff accused of misconduct.

**Physical restraint**

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
• Hurting themselves or others
• Damaging property

Incidents of physical restraint must:

• **Always be used as a last resort**
• Be applied using the minimum amount of force and for the minimum amount of time possible
• Be used in a way that maintains the safety and dignity of all concerned
• Never be used as a form of punishment
• Be recorded and reported to parents
• Be carried out in accordance with our physical intervention policy

**Pupil support**

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater for the needs of the pupil.

The school’s special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

To ensure a consistent approach to behaviour management and the sharing of effective practice to meet the needs of individuals, information related to pupil behaviour issues may be shared with relevant staff and with new settings for those pupils transferring to other schools.

Our staff are provided with training on managing behaviour, including proper use of restraint, as part of their induction process. Behaviour management also forms part of continuing professional development.

**Required Outcomes**

• All staff and pupils work within a climate of mutual respect and tolerance
• All members of our community feel valued, respected and included
• All staff and pupils are safe both physically and emotionally
• Our strategies for managing behaviour are consistent and effective
• Effective learning takes place
• The Christian ethos of our school is evident in all interactions
