Dear Mrs L Oldcorn

2019 LENTEN CHARITY FUNDRAISING

On behalf of our patients and their loved ones, thank you for your amazing donation of

£6,515.23

We are delighted that you chose to support the Hospice during Lent by holding various fundraising events and a sponsored walk. You can be assured that your donation will be spent wisely for the benefit of people across Barnsley.

As you may know, the Hospice has been helping local people for 25 years and during this time our work has touched thousands of lives. We are proud to have received the unstinting support of Barnsley people /and those further afield, as it helps us to continue to provide specialist, compassionate care around the clock every day of the year.

At present we need to raise over £2 million each year to cover our day to day running costs. We therefore rely heavily on public and corporate donations, legacies and grant-funding plus income from fundraising events and our charity shops.

The Hospice's core values of *Comfort, Care & Dignity* are at the heart of our patient-focused service. Your much-needed donation will help us to continue to make a real difference to local people, including all those little extras which make our care so special.

Once again please accept our warmest thanks.

Yours sincerely

Vicky Stead
Community Fundraising Team Leader
