Dear Parent/Carer

We are pleased to inform you that enrichment activities at Holy Trinity in the primary phase have begun again. We hope that our children are looking forward to taking part.

There is a range of activities available and more will become available throughout the year. Some of the activities have limited numbers or are for a targeted group of students due to age. It is essential that places are booked in advance where this is the case. Currently all our after school clubs are fully booked but letters will come out again for the Spring Term.

Parents are responsible for informing the school for the arrangements for safe travel home from after-school activities.

If you have any questions or queries about any extra-curricular activities at Holy Trinity, please do not hesitate to get in touch.

Yours faithfully

Miss S. Walker  
Assistant Head teacher
