

# HOLY TRINITY

## Primary Computing Vocabulary

EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Camera	username	battery	account	spreadsheet	application 'app'	Online
iPad	Bee-Bot	buttons	spam	e-Document	bullying	Report
Tablet	computing code	desktop	attachment	email	interpreted	Block
Lens	computer program	device	username	icon	judgement	Privacy settings
Point	algorithm	electricity	CC	presentation	mental health	Consent
Shoot	bug	invention	cyberbullying	software	misinterpreted	Private
Capture	debug	laptop	email	code	variable	Settings
Picture	crop	technology	email account	website	basic commands	Screen grab
Image	drag and drop	wire	emoji	WWW	binary code	Respect
Gallery	editing software	backspace	information	hyperlink	signal	Inappropriate
Record	image	copyright	computer program	hacker	data	Online bullying
Photograph	Pictorial story	image	data	internet browser	data transmission	Screenshot
Photographer	Visual assistant	paste	desktop	URL	input	Copy
Still	Filter	undo/redo	ROM	web page	numerical data	Paste
Blurred	Orientation	touch typing	tablet device	algorithm	output	URL
Blurry	Collage	animation	categorise	automated machine	radio signal	Block and report
Crisp	Layers	code	database	log data	sequence	Hardware
Clear		icon	fields	sensor	binary image	Devices
Selfie		data	filter	code blocks	bit	Memory storage
Direction		error	graphs and charts	bot	bit pattern	Smartphone
Route		predict	record	chatbot	data	Raspberry Pi
Program		astronaut	sort	in-app purchases	image	Hard Disc drive
Algorithm		experiment	spreadsheet	pop ups	JPEG	RAM
Debug		monitor (verb)	application (app)	search engine	memory computer	ROM
Instructions		satellite	digital device	social media	operating system	Processor
Two-part		space	import		pixels	Touch screen
instructions		upload	sound effects		animation	Trackpad
Sequence		Animator	time code		animator	Mouse
Sort		design	animation		design	Operating system
Categorise		image	sprite		digital device	Loop
Group					editing	Code
Branch database					frame	Command

Pictogram Graph Column Row Data Most popular Least popular		stop-motion consent offline online permission personal information trusted adult	application code code block interface loop program age restricted autocomplete beliefs block content fact fake news opinion privacy settings reliable report requests security questions smart devices social media platforms social networking		stop-motion storyboard upload	Pattern Instruction Shape Repeat Input Import Design Indentation Personal information Scammers Financial information Phishing Anti-virus Malware System updates Reliable source Hardware Devices Memory storage Smartphone Raspberry Pi Hard disc drive RAM ROM Processor Touchscreen Trackpad Mouse Operating system Barcode QR Code QR Scanner RFID Wireless Chips Encrypted Infra-red Radio waves
