Topics

Our topic this half term is 'In the garden.' We will be looking at lots of different mini-beasts that we might see in our garden. We are looking forward to our visit to the bee hives, which are housed in our school grounds, where we will find out all about our school bees and how they make honey and then return to nursery to have a taste of the wonderful honey the bees have produced this year. We will also be enjoying lots of stories which we will get to know very well this year at school. You can see all the work we will be doing in each subject in our long-term plans on the school website. Just go to the school website (<https://holytrinitybarnsley.org/>), select Learning, and then Curriculum and then Primary to find out more!
