Dear Y11 Parent/Guardian,

Your child is currently studying: AQA GCSE English Language and AQA GCSE English Literature. Their final exams will take place in May and June of 2024.

We are now in the run up to the final examinations and we want to ensure your child has the materials they need to revise independently. They have been provided with printed revision materials for both the Language and the Literature courses. If your child is missing their copy, or requires another, they can be collected from F32 at any point. Additional notebooks and pens can also be collected.

All students have also been provided with English Language practise questions to complete over the Easter break. Practise makes perfect so please encourage your child to use these resources.

All students will find different methods of revision useful – so please encourage your child to use whatever method works for them. This could be reading, answering practice questions, discussing the topic with another person, creating quizzes, creating artistic representations of the text, watching YouTube videos etc.

There are lots of revision materials available for free online. If your child does have online access, please scan this QR code (open your camera and click on the yellow link) to join the Seneca Learning online classroom.

When we return from Easter break, Y11 after school revision will continue every Thursday at 3pm and is open to all students.

Warmest regards,
Mrs Warriner and Team English.
