Dear Parent,

Now that Year Eleven is underway, we will be starting revision sessions next week. Maths and English revision sessions will be held during morning form time which begins at 8.45. A bell rings at 8.40am and it is essential that your child makes their way to their form room at this time to ensure a prompt start. Please help us to support your child by ensuring that they arrive to school in plenty of time to visit their locker and use the toilet before 8.40am.

In addition to form time revision, revision sessions will also take place at lunchtime and after school. Please see the timetable below. Pupils can pick and mix these revision sessions targeting subjects which they need more support in.

The ultimate reward for attending revision sessions and working hard is better exam results but to reward pupils along the way, we will be putting on free take-away food at the end of the revision sessions; pupils just need to get their teacher to sign their **passport to success and collect it from the canteen**.

The **passport** will also entitle them to receive other rewards along the way. Rewards like an afternoon tea, dress down days etc. We'll also ask the pupils what rewards they would like to help motivate and encourage them to keep going when it's hard. Learning is hard but qualifications don't come easy! So, if your child is doing all that they can to succeed, we want to recognise this.
