HOLY TRINITY

Primary Design and Technology Vocabulary

EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
design	design	Henri Rousseau	shadow puppets	mechanism	vehicle	food miles
create	fix	rainforest	function	lever	chassis	seasonal
make	attach	design	purpose	linkage	body	evaluate
fix	sew	label	materials	design brief	axle	taste
join	evaluate	evaluate	product	annotated sketch	wheels	aroma
steady	compare	successful	market research	generate	landscape	texture
hard	contrast	improve	texture	design criteria	geographical features	appearance
soft	template	3d	appearance	loose/fixed pivot	physical features	similarities
smooth	design	materials	flavour	guide/bridge	adaptation	differences
flat	materials appealing	Victorian recipes	design criteria	system	terrain	rationing
bent	soft	past	shape	input	landscape	recipe
bumpy	hard	present	knot	output	design	adapt
	colourful	ingredients	design	adapt	materials	food supplies
		scones	criteria	evaluation	mark	recipe
		butter	original	improve	measure	evaluation
		jam	ingredients	chronological	cut	compare
		ingredients	yeast	events	saw	improve
		equipment	knead	individuals	accurately	CAD
		sandwich	dough	changing	precision	Labyrinth
		fillings	rise	inventors	care	Maze
		evaluate		specification	safety	Design
		improve		prioritise	evaluate	Paths
		change		decoration	effective	Dowel
				shape	safe	Measurement
				materials	hygiene	Computer Aided Design (CAD)
				annotate	handling	Block
				sketch	cross contamination	Grid
				cross-sectional	cook	Plan
				original	reheat	Cut
				innovative	chill	Dowel
				purpose	clean	Saw
					allergies	Safely
					ingredients	Base
					grown	
					reared	
					caught	

					processed Chinese	Evaluate Improve Challenge HISTORY OF COMPUTERS TOPIC computer bytes kilobytes megabytes terrabytes gigabytes graphics hardware devices memory storage smartphone raspberry Pi Hard disk drive RAM ROM Processor Touch Screen Track Pad Mouse Operating System
