HOLY TRINITY
Primary Computing Vocabulary

EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
• Mouse	account	battery	account	collaborate • spreadsheet	application 'app'	acrostic code
• Buttons	● clipart	● buttons	• spam	● comment • transition	● anonymity	● brute force hacking
• Keyboard	● computer	● desktop	● attachment	● e-Document	● bullying	● Caesar cipher
• Keys	● resize	● device	• username	● edit	● gif	● cipher
• Motherboard	● screen (monitor)	● electricity	● BCC	● email	● hacked	● encrypt
• USB stick	● software	● invention	● CC	● icon	● interpreted	● invention
• System fan	● tools	● laptop	● cyberbullying	● insert (file)	● judgement	● Nth letter cipher
• Hard drive	● username	● technology	● domain	● link	● meme	● password
• Monitor	● Bee-Bot	● wire	● email	● presentation software	● mental health	● pigpen cipher
• Computer tower	● computing code	backspace	● email account	● presentation	● misinterpreted	● technological advancement
• Speaker	● computer program	● copyright	● emoji	● reply	● reputation .hex file	• trial and error background noise
• Click	● explain	● image	● information	● reviewing comments	● .zip file	● byte
• Dial	● explore	● import	● computer program	● share code	● bluetooth	● computer
• Memory	● instructions	● keyboard character	● data	• collaboration website	● code blocks	● CPU
• Technology	● predict	● paste	● desktop	● content	● emulator	● memory storage
• Power	● tinker	● undo/redo	● instructions	• WWW	● feature	● mouse
• Electricity	● video algorithm	● touch typing animation	● ROM	● edit	● loop	● OS
• Batteries	● bug	● code	● tablet device	● embed	● pedometer	● radio play
• Camera	● debug	● icon	● trackpad categorise	● feature	● predict	● RAM
• iPad	● decompose	● imitate	● data	● header	● systematic	● ROM
• Tablet	● device	● sequence artificial intelligence (AI)	● database	● hyperlink	● variable	● sound effects
• Lens	● input	● correct	● fields	● insert (file)	• basic commands	● touch screen
• Point	● output	● data	● filter	● online	● binary code	● trackpad
• Shoot	● solution crop	● decompose	● graphs and charts	● plan	• signal	● code (computer)
• Capture	● delete	● error	● information	● tab code	● data	● computer command
• Picture	● download	● key features	● record	● content	• computer simulation	● import
• Image	● drag and drop	● loop	● sort		● data transmission	● loop
• Gallery	● editing software		● spreadsheet application • voice		● discovery	● nested loop
• Record	● image					● random numbers
• Photograph						
• Photographer						

• Still	• import	• predict	• desktop • voiceover	• copyright	• space (astronomy)	• remix
• Blurred	• resize	• unnecessary	• digital device	• CSS	• distance	• script libraries
• Blurry	• save as	• approximate	• edit	• hacker	• input	• variable
• Crisp	• search engine	• astronaut	• film	• hex code	• moon	• barcode
• Clear	• sequence	• digital content	• film editing software	• internet browser	• numerical data	• signal
• Selfie	• smart device	• experiment	• graphics	• permission	• output	• boolean
• direction	• storage space	• interactive map	• import	• script	• planet	• systems or data
• route	• visual effects	• laboratory	• key events	• URL	• radio signal	• brand
• Program	categorise	• monitor (verb)	• plan	• web page algorithm	• scientist	• analyst
• Algorithm	• chart	• satellite	• recording	• automated machine	• sequence	• commuter
• Debug	• computer	• sensor	• sound effects	• calculate	• binary image	• transmission
• Instructions	• data	• space	• time code	• climate	• bit	• contactless
• Timer	• information	• survival	• animation • sprite	• device	• bit pattern	• data privacy
• Describe	• label	• thermometer	• application • tinker	• forecast	• CAD	• encrypt
• Adjective	• pictogram	• storyboard	• code	• log data	• data	• infrared waves
• Two-part instructions	• record	• contraption	• code block	• predict	• encode	• NFC
• Order	• sort	• upload	• interface	• record	• image	• QR code
• Sequence	• table	• Animator	• loop	• sensor	• JPEG	• radio waves
• Predict	• text	• design	• predict	• source	• memory computer	• RFID
• Prediction	computer	• download	• program	• spreadsheet	• operating system	big data
• Sort	• program	• film review	• remixing code	• temperature	• pixels animation	• bluetooth
• Categorise	• create	• filming	• repetition code	• weather abstraction	• animator	• corrupt data
• Category	• data	• import	• review	• code blocks	• background	• digital revolution
• Group	• digital content	• image	• device accurate,	• problem ad/ advertisement	• decompose	• GPS
• Texture	• e-document	• plan	• age restricted,	• accuracy	• design	• infrared waves
• Colour	• folder	• sketch	• autocomplete,	• alter	• digital device	• IoT
• Pattern	• list	• software	• beliefs,	• belief	• duplicate	• QR code
• Size	• save	• stop-motion accept	• block,	• bot	• editing	• SIM
• Weight	• sequence	• consent	• content,	• chatbot	• frame	• computer simulation
• Height	• share	• content	• digital devices,	• gaming	• illusion	• smart school/city input
• Length	• spreadsheet communicate	• offline	• fact,	• in-app purchases	• onion skinning	• information
• More	• connect	• online	• fake news,	• influencer	• stop-motion	• invention
• Less	• devices	• permission	• opinion,	• implication	• storyboard	• loop
• Count	• digital footprint	• personal information		• judgement	• upload	• output
• In total	• emotion					• photo
• Altogether	• feelings					• program
• Share	• internet					• repetition

• Divide • Equal • Sort • Count • Altogether • Share • Divide • Branch database • Pictogram • Graph • Column • Row • Square • Data • Collect • Record • More • Less • Most popular • Least popular • Letters • Numbers • Uppercase • Lowercase • Type • Log in • Log out • Computer safety • Protect • Password • Private • Secure • Security • Lock • Personal • Computer	● internet safety ● online ● personal information ● posting ● respect ● sharing ● smart device ● strangers ● trust ● wired ● wireless	● terms and conditions ● trusted adult	● privacy settings, ● reliable, ● report, ● requests, ● security questions, ● smart devices, ● social media platforms, ● social networking	● live streaming ● opinion ● pop ups ● reliable ● respectful ● search engine ● social media ● snippet ● sponsored		● screenshot ● selection (programming) ● sequence ● variable ● WWW anonymity ● anti-virus software ● digital footprint ● digital personality ● malware ● online reputation ● peer-pressure ● permission ● phishing ● privacy settings ● report ● scammers ● screengrab ● selfie ● software update ● two-factor authentications
