Dear Parent,

As Year 11 move into their final full term of school before exams begin, we will be re-starting revision sessions again next week. Maths, English and Science short revision sessions will be held during morning form time which begins at 8.45. Please help us to support your child by ensuring that they arrive to school in plenty of time to visit their locker and use the toilet before the first bell at 8.40am.

Revision sessions will also re-start at lunchtime and after school. Please see the timetable below. Pupils can pick and mix these revision sessions targeting subjects which they need more support in. Year 11s will be allowed first entry into lunch to make it easier for them to attend revision sessions held during lunchtimes this term.

The ultimate reward for attending revision sessions and working hard is better exam results but to reward pupils along the way, we will continue to put on free take-away food at the end of the afterschool revision sessions; pupils just need to get their teacher to sign their **passport to success and collect it from the canteen.**

The **passport** will also entitle them to receive other rewards along the way. Learning is hard but qualifications don't come easy! So, if your child is doing all that they can to succeed, we want to recognise this.
