Drama Practical Exam

Dear Parents and Carers,

The Drama **Practical Exam** is fast approaching and is on **Monday 3rd February** students will be given specific times to attend their exam in the Drama Studio on the day. An external examiner will be present to assess the work live. Students will also be given a **Technical Rehearsal on Friday 31st January**. It is extremely important that students are present all day on both these days as, the nature of this work is live theatre, all timings are subject to change at the last minute.

Students have been preparing for this exam and are fully aware what is expected of them. It is imperative that students know their lines and part fluently. If you could encourage them to rehearse their part at home, this will benefit them and build their confidence on the day. The students are required to bring any costume and props that has been previously decided by themselves and their group.

I have been offering lunch and after school extra rehearsals in the Drama Studio and will continue to do so for the next two weeks and I would strongly advise that all students attend whenever they can to ensure their piece is rehearsed to the highest standard. The students should agree a time with their group to ensure the rehearsal is as productive as possible.

Yours sincerely,

Miss Payne
Drama Teacher
