Dear Parent/Carer,

## **Easter College:**

To give your child the very best chance of success, teachers will be in school over the Easter 2 week break as follows to provide extra revision and coursework catch-up sessions. Please encourage your child to attend as many as possible for the subjects which they study, prioritising ones where they need the most support. Please also ensure that they are using their time to revise at home each day so that they are ready to do their best in their exams. If the session is all day, they will need to bring food and refreshments. Teachers will be in touch via text if they specifically require your child to attend. For example, if their coursework is still incomplete.

They must sign in on arrival at the reception and sign out as they leave the building.
